			Future of ASEAN Battery Industries		Large scale/Long duration and Safety		Battery Supply Chain and Finance		
13.00 - 16.30	Safety Networking/ ASEAN COSTI	08.00 - 08.30	Registration	09.00 - 09.40	Plenary Session II: Long duration or Grid Scale adoption By Prof. Yet Ming Chiang	09.00 - 09.20	Speaker Session: Circularity and material supply chain		
16.00 - 18.00	Registration	08.30 - 09.10	Welcome Introductory & Opening ceremony	09.40 - 10.00	Speaker Session: Lesson learn from grid scale ESS in Thailand	09.20 - 10.20	Panel Discussion V: Closing the Loop: Circularity, Battery Passport & Material Supply Chain		
18.30 - 21.00	Pre-Even Dinner by Invitation Only	09.10 - 09.50	Plenary Session I: Li-ion Batteries and beyond Topic (TBC) By Prof. Stanley Whittingham	10.00 - 10.30	Networking Tea Break	10.20 - 10.50	Networking Tea Break		
		09.50 - 10.20	Networking Tea Break	10.30 - 10.50	Speaker Session: Large scale expansion in Indonesia	10.50 - 11.10	Speaker Session: Supply chains of Swapping Update		
		10.20 - 11.50	Panel Discussion I: ASEAN Pulse; Policy Shifts & Investment Sparks	10.50 - 11.10	Speaker Session: Large scale expansion	11.10 - 12.10	Panel Discussion VI: Supply Chains Synergy: Enabling Scalable Battery Swapping in ASEAN		
		11.50 - 12.15	MOU Signing Ceremony for Partnerships Among ASEAN on Battery and EV Ecosystems or Special Announcements	11.10 - 12.10	Panel Discussion III: Power at scale: Unlocking Large-Scale ESS & Grid Expansion	12.10 - 13.30	Lunch Break		
		12.15 - 13.30	Lunch Break	12.10 - 15.00	Lunch + Networking Tea Breaking	13.30 - 13.50	Speaker Session: Market and Finance		
		13.30 - 14.00	Keynote I: TBC by Prof. Shirley Meng	15.00 - 15.30	Keynote II: Battery Safety	13.50 - 14.50	Panel Discussion VII: Powering Markets: Finance, Institution & Future of ASEAN Batteries		
		14.00 - 14.20	Speaker Session: Future of Battery Technology	15.30 - 16.30	Panel Discussion IV: ASEAN Battery Safety and Innovation	14.50 - 15.00	Closing Ceremony & Hand-over to ABTC 2026		
		14.20 - 14.40	Speaker Session: Future of Battery Technology	16.30 - 16.50	Speaker Session: Safety Topic				
		14.40 - 15.00	Speaker3: Future of Battery Technology	16.50 - 17.10	Speaker Session: Safety Topic				
		15.00 - 15.30	Networking Tea Break	18.00 - 21.00	Networking Gala Dinner Night				
		15.00 - 15.20	Speaker Session: Future of Battery Technology						
		15.50 - 16.50	Panel Discussion II: Future of Battery Industry; Technology Breakthroughs to Real-world Impact
